

Tentative List and Schedule of Topics and Activities

2nd International Training on Responding to Changing Climate: Knowledge-based Strategies in Managing Risks in Agriculture and Environmental Management
 May 11-15, 2009, SEAMEO RETRAC, Ho Chi Minh City, Vietnam

Time	Day1: May 11, 2009	Day2: May 12, 2009	Day3: May 13, 2009	Day4: May 14, 2009	Day5: May 15, 2009
8:00-8:30am	Registration	Recap of Day 1	Recap of Day 2	Recap of Day3	Recap of Day 4
8:30-10:00	Opening Program; Leveling off Expectations (MHC & FPL + DBC)	Analysis of risks due to climate variability/ Delineation of vulnerable or risky areas (AS)	Economic impacts of climate risks (HAF)	Elements of strategic framework plan for managing risks (SJ)	Development of local plan for management risks (HFD)
10:00-10:15	Coffee/Tea Break	Coffee/Tea Break	Coffee/Tea Break	Coffee/Tea Break	Coffee/Tea Break
10:15-11:15	Risk Analysis: Introduction, Concepts, Sources of risks (FPL)	Hydrologic frequency analysis/ vulnerable areas to floods and droughts (AS)	Economic valuation techniques (HAF)	Community-based disaster and risk management (HFD)	Preparation of action plan by participants (DBC)
11:15-12:15	Framework for Risk Analysis; Hazards, Vulnerability (FPL)	Risks due to extreme weather events; Seasonal climate forecasts and crop production (AS)	Climatic and socio-economic risks in aquaculture (PB)	Identification of issues, challenges, constraints, and solutions (HFD)	
12:15-1:30	Lunch Break	Lunch Break	Lunch Break	Lunch Break	Lunch Break
1:30-3:00	Systematic approaches to	Risks in rice crop	<i>Field visit to areas</i>	Gender dimension of	Presentation of action plan

	risk analysis; Measures of risks (FPL)	production due to climate variability (RW)	<i>showing climatic risk management strategies</i> (AS/ START)	risk management (HFD)	by each participant (HFD & FPL)
3:00-3:15	Coffee/Tea Break	Coffee/Tea Break	Coffee/Tea Break	Coffee/Tea Break	Coffee/Tea Break
3:15-5:15	Managing risks due to climate variability: (FPL)	Managing risks in rice production systems in SEA (RW)	<i>Field visit to areas showing climatic risk management strategies</i> (AS/ START)	Mobilizing and using local resources in risk management (DBC)	Panel discussion and critiquing on the proposed action plans; Evaluation and closing program (FPL & HFD)
5:15-5:30	Open Forum	Open Forum	Back to Hotel	Open Forum	
5:30-7:00	FREE TIME				
7:00-9:00	Fellowship Night	Welcome Dinner			Farewell Dinner

MHC – Maricel H. Cadiz (SEARCA, Philippines)

FPL – Felino P. Lansigan (UPLB-SEARCA, Philippines)

HFD – Helen F. Dayo (UPLB, Philippines)

AS – Anond Snidvongs (START, Thailand)

HAF – Herminia A. Francisco (EEPSEA, Singapore)

RW – Renier Wassman (IRRI, Philippines)

LL- Louis Lebel (USER-CMU, Thailand)

PB – Pedro Bueno (FAO, Thailand)

SJ – Sanny Jagillos (UNEP, Thailand)
